

Solutions @ work

AtlasConnect

Manage and automate HR and benefits enrollment.

PAPERLESS - Paper forms and files are replaced by a centralized HR management console and employee portal that's always up-to-date.

EFFICIENT - Manage your interactions in one place so you can spend more time growing your business and less time on manual processes.

ACCESSIBLE - Help your employees help themselves by allowing HR and employees to find the information they need without having to call for support.

CONTROL - Go beyond the basics and improve communication and engagement with quick access to reports and configuration tools.
