

Solutions @ work

4myBenefits

Improve and streamline benefits communications, enrollment and administration with 4MyBenefits online technology. **Benefits Administration Made Easy.**

Benefits communication and enrollment is no easy task. Compliance and reporting requirements are becoming increasingly complex and time consuming. The Alpha Group has partnered with 4MyBenefits to ease the pain of paper enrollment with a web-based, user-friendly solution that will save time, paper and money.

Benefits and Communications

Online, employees can access personalized information on their benefits. Administrators can manage eligibility, broadcast information, and automate repetitive tasks and workflows.

- Communicate benefits online
- Improve access for employees and families
- Eliminate costly paper materials
- Boost understanding and awareness
- Reduce frequent and distracting benefit and HR questions
- Improve HR efficiency with dedicated tools
- Increase compliance

Enrollment and EDI

Powered by technology in use with over 1 million employees, 4myBenefits Enrollment solutions have a proven track record of success. Our solutions are sophisticated enough to meet the needs of a multi-state corporation, yet economical even for small employers. Electronic enrollment dramatically reduces costs and errors, improves overall turnaround, and streamlines the benefits administration process.

- Automate open and ongoing enrollments
- Prevent employees from submitting incomplete information
- Eligibility feeds to providers eliminate time consuming data entry
- Eliminate expensive enrollment materials
- Improve overall turnaround
- Unburden administrators with employee self service
- Integrated core and voluntary enrollments
